The board met to finalize the proposed budget for 2012.

A line was added for computer support for the garage in the amount of \$400 (no motion required)

JoAnn Berno moved to shift \$5480 from the sand escrow to Line 111 ("Sand"). Dick seconded. All in favor.

Dick noted that two new plows and a new radio for the town trucks will be coming from the capital budget and do not need to be included in this budget.

It was decided that there will be an article on the agenda at Town Meeting to eliminate the town auditor positions.

Meeting adjourned at 6:35 pm.
