

Duxbury Planning Commission

Draft Meeting Minutes

October 25, 2018

Members present: Alan Quackenbush, Toni Muir, Bill Whitehair

Others present: Audrey Quackenbush

The meeting was called to order at 6:30 p.m. by Alan Quackenbush.

Agenda changes: none

This special meeting of the DPC was to plan for a community planning forum. The original plan was to have the forum on our regular meeting night in November. However, we decided we should have more time to advertise the event by doing a mailing to all registered voters. We will now schedule the meeting for Dec. 13 at the CBMS cafeteria.

Audrey Quackenbush has volunteered to facilitate the forum; all DPC members will lead break-out groups in general topics from the town plan: Economic Development; Facilities, Utilities and Services; Housing; and Natural Resources.

The goal is to get input from our town on these and other topics as we update the town plan in the coming year.

Other business: none

Next meeting: November 8, 2018 at 6:30 p.m. in the town garage meeting room.

The meeting adjourned at 7:45 p.m.
